Spread the Holiday Cheer at Sing, Sign & Play!

[Join our Mailing List!](#)

The holidays are fast approaching and whether you celebrate with a tree or a menorah, we have something for you!

The holiday season can be a very stressful time for you and a very confusing one for your child. With holiday parties, lack of time to spend with our little ones, changing schedules, and an overwhelming amount of external stimuli, children often become overwhelmed and over stimulated, leading to tantrums and holiday meltdowns.

So, take a deep breath, take off your shoes and unwind with us while enjoying the music of the season and developing a stronger bond with your child. In this time of chaos, your child will definitely look forward to that 45 minutes of focused attention, not to mention the predictability of the weekly class when everything around them is changing. And you can improve their music, listening, communication, social skills, and so much more in the process!

If that is not reason enough, we are offering \$10 dollars off your winter semester and a free Best of Kindermusik CD or pair of egg shakers (your choice). This is our gift to you, for taking time out of your busy schedule to be with us this holiday season. All you need to do is bring in the coupon at the end of this email.

Registration Begins: Tuesday October 30th

Holiday Signing Classes

Signing Smart - Holiday Play class- 6mos - 3yrs

The Signing Smart Holiday Play Class Series is for families who sign with their babies and are looking for a fun-filled way to ring in the winter holiday season. These parent-child classes include engaging activities and songs that incorporate ASL signs that are related to holiday and winter themes from Thanksgiving through New Year's Day. From new foods your child is eating to relatives he or she sees but once a year, the classes do more than teach families the signs for the holidays themselves - they give you a way to communicate with your child about all the wondrous aspects of the season. In the classes you will learn how to use Signing Smart to lighten the pressures of the holidays, as well as how to understand and experience this magical and confusing time of year from your child's perspective. As in the Beginner and Intermediate Programs, we integrate signs into gross motor play, large and small group activities, singing, and much more. The \$25 material fee includes: The Holiday Handbook and a Diaper Bag Dictionary featuring Year-Round Holiday Signs

Location: Sing, Sign & Play, Newhall

Kindermusik Holiday Classes

Kindermusik Village- Peekaboo Holidays Birth - 18mos

In this special class, uncover more ways to say and play "Peekaboo" using American Sign Language, bubbles, parent-baby dances and a whole lot more. Have fun making latkes and riding on a one horse open sleigh while meeting with other newborns and families in the community and learning how music improves the child development process. There are no required materials for this class.

Kindermusik Our Time- Holiday by the Sea 18mos - 4yrs

Want to warm up this holiday season? How about a trip to the ocean? You and your child will sing sailor songs, wiggle your toes in the sand and make the ocean count. "Five little seashells lying on the shore: Swish! Went the waves and then there were four." Experience Jingle Bells and Seashell all in one class! There are no required materials for this class.

Kindermusik Imagine That!- Winter Wonderland Ages 3 - 5yrs

The adventures continue, with books, storytelling, language, drama, and puppets - these are all essential ingredients to the Imagine That! Curriculum. Each acts as a dramatic catalyst for integrating thematic songs, activities, events, and feelings. This year we head outdoors to share time together in all types of weather! We will explore the connected, smooth sounds of legato and the separated sounds of staccato as well as mastering our fast and slow tempos. We will learn about winter weather through songs and activities as well as re-discovering some of our favorite holiday songs. Musically driven literature books are also an important part of the semester. Adding to the thrill for preschoolers are craft projects such as making sleigh bells and snowmen! There are no required materials for this class.

Kindermusik - Young Child I Session B - Ages 4-7yrs

Semester 1 of Kindermusik for the Young Child opens the world to new and different ways of learning about music. In Young Child 1 - Session B, we will continue to explore such musical topics as beat versus no beat, percussion instruments, brass instruments, melodic direction, exploring the staff, and notation. In Session B, your child will also get to take their new instrument, the glockenspiel, home as well as having some fun with Holiday Songs! Some of the favorite themes are "Music is Everywhere," "Meet the Mallets," and "Discovering Melody and Mozart." The \$25 material fee includes: Your child's very own Glockenspiel, Home Assignments and Musical Games.
